\*\*\* Report expenditures from county appropriations, contract income, gifts and endowments, and any carryover from those sources. Also include expenditures from interest earned from those sources.

**VII. SYSTEM MEMBERSHIP**

*Attach a listing of all current public library and county members of the system.*

Indicate whether the following conditions for system membership have been compiled with in your system area. If any of these conditions have not been met, attach a written explanation of the circumstances resulting in noncompliance and a description of actions to be taken to achieve compliance (include time lines). *A check indicates that all members have complied with the requirement.*

- The public library members are established under the provisions of Chapter 43 of the Wisconsin Statutes. [s.43.15(4)(c)1]
- The public library members are authorized by the municipal governing board to participate in the public library system. [s.43.15(4)(c)3]
- The public library members have entered into a written agreement with the public library system board to participate in the system and its activities, to participate in interlibrary loan of materials with other system libraries and to provide, to any resident of the system area, the same library services, on the same terms, that are provided to the residents of the municipality or county that established the member library. This shall not prohibit a municipal, county or joint public library from giving preference to its residents in library group programs held for children or adults if the library limits the number of persons who may participate in the group program. [s.43.15(4)(c)4]

- The public library members received funding from their library board's governing body for 2002 at a level not lower than the average of the previous 3 years. [s.43.15(4)(c)5]
- The public library members received funding from their library board's governing body for 2003 at a level not lower than the average of the previous 3 years. [s.43.15(4)(c)5]
- The member public library's head librarian holds the appropriate grade level of public librarian certification from the Department of Public Instruction. [s.43.15(4)(c)6 and Administrative Code Rules PI 6.03]
- All counties participating in the system have entered into written agreements with the system as required under [s.43.15(4)(b)3]
- All counties participating in the system maintained their support for library services at a level not lower than the average of the previous three years for 2002 and 2003. [s.43.15(2)]
- All counties participating in the system have adopted and maintained the plan of library service submitted and approved under s.43.11(3) and s.43.13(1). [s.43.15(4)(b)1]. Indicate the year of the last plan revision on the membership listing provided.

### VIII. CERTIFICATION OF STATUTORY COMPLIANCE

---

As of the date of this report, indicate whether the following statutory requirements are being met by the system. If any of these requirements were not met, attach a written explanation of the circumstances resulting in noncompliance and a description of the actions to be taken to achieve compliance (include time lines). Any current written contracts or agreements not previously filed with the division providing evidence of compliance must be enclosed with this report. This report is for compliance as of the date of this report. If compliance is later not maintained in any area reported as being in compliance, notify the Division for Libraries and Community Learning.

Indicate compliance with the requirements below with a check. Unchecked statutes indicate noncompliance.

x.43.24(2) For a public library system to qualify for and maintain its eligibility for state aid under this section it shall ensure that all of the following are provided:

- (a) Written agreements to provide, to any resident of the system area, the same library services, on the same terms, that are provided to the residents of the municipality or county that established the member library, except for the group programming preference authorized under s.43.15(4)(c)4., and to provide for the interlibrary loan of materials among all participating public libraries, as evidenced by agreements with those libraries.
- (b) Backup reference, information and interlibrary loan services from the system resource library, including the development of and access to specialized collections, as evidenced by a written agreement with that library
- (d) Referral or routing of reference and interlibrary loan requests from libraries within the system to libraries within and outside the system.
- (e) In-service training for participating public library personnel and trustees.
- (fm) Electronic delivery of information and physical delivery of library materials to participating libraries.
- (g) Service agreements with all adjacent library systems.
- (h) Professional consultant services to participating public libraries and counties as evidenced by a written plan and a service program.
- (i) Any other service programs designed to meet the needs of participating public libraries and the residents of the system area, as determined by the public library system board after consultation with participating public libraries.
- (k) Promotion and facilitation of library service to users with special needs.
- (L) Cooperation and continuous planning with other types of libraries in the system area, which results in agreements with those libraries for the appropriate sharing of library resources to benefit the clientele of all libraries in the system area.
- (m) Planning with the division and with participating public libraries and other types of libraries in the area in regard to the library technology and the sharing of resources. By January 1, 2000, and every 5th January thereafter, the public library system shall submit to the division a written plan for library technology and the sharing of resources.
- (n) That, if the system reimburses a participating public library for the costs of providing interlibrary borrowing services to an individual who holds a valid borrower's card of another participating public library, the reimbursement shall not exceed the actual costs incurred by the public library in providing such services. The department shall promulgate rules defining "actual costs" for the purposes of this paragraph.
