Dear John:

I am pleased to confirm that the Calumet County Board has approved a 2004 budget that includes \$24,521 for payment to Winnefox Library System in 2004. This is the fall amount that , we had requested under the reimbursement formula specified in the Winnefox/Manitowoc-Calumet intersystem agreement.

The 2004 payment to Winnefox will be 23.9% higher than the 2003 reimbursement. Calumet County's total budget for 2004 payments to libraries in MCLS, Winnefox, and OWLS is up 14% over 2003.

Thank you to Winnefox and your member libraries, particularly Menasha, for continuing to serve Calumet County residents under our agreement.

Sincerely,

(ASAP-C -Mtf-100)

System Coordinator
