

JESSICA DOYLE

June 25, 2004

Fond du Lac Public Library
32 Sheboygan Street
Fond du Lac, Wisconsin 54935

Dear Fond du Lac Public Library,

Congratulations on receiving the L. Percy Award for "Off the Shelf," your quarterly newsletter. This honor is a reflection of your hard work and dedication to promoting library services to your community. As an educator, I understand how important it is for a library to effectively communicate with the community.

Once again, the Governor and I congratulate you on this well deserved national recognition. Thank you for contributing to excellence in Wisconsin.

Sincerely,

Jessica Doyle
First Lady of Wisconsin

John Nichols, Director
Winnefox Library System
106 Washington Avenue
Oshkosh, Wisconsin 54901-4985

Dear John Nichols:

The 2004 Summer Library Program is now history at the Fond du Lac Public Library. Children had an opportunity to "Discover New Trails@the Library" by participating in the reading program, attending special events, using their skills to win contests, making crafts and listening to stories. All of the planning and implementing was worth it when we realize that over 1200 children in the Library and on the Bookmobile spent part of their summer school break at the library and reading.

With the success of each summer library program we realize that there are many things that could not happen without the support of the Winnefox Library System staff. This year the system paid for one of the special event performers, coordinated the purchase of many of the supplies and incentives, provided printing services for the many items used for our reading programs, and spearheaded the Summer Finale at the Galloway House and Village. Thanks go to everyone on the Winnefox staff who made summer 2004 successful with special thanks to Mark Arend, Dana Stolley, Laurie Magee, and Renee Miller.

Sincerely yours,

Lillian Nolan
Children's Librarian

The FDL self checks are now connecting properly and are blocking those with more than \$5.00 in outstanding fines. We greatly appreciate the help given by your staff, especially Karla, in making this happen.

Ken
