Lurton Blessingame, Board President
Winnefox Library System
106 Washington Avenue
Oshkosh, WI 54901-4985

Dear Mr. Blessingame:

I am pleased to notify you of the transmittal of your system's second payment for operations in 2009 in the amount of \$247,588. This payment will allow you to continue to carry out this year's system plan as approved earlier by the Division for Libraries, Technology, and Community Learning. The total amount of state aid provided for public library systems in 2009 is \$16,783,500, a 4 percent increase over 2008 funding. Public library system funding is provided from state GPR funds and the universal service fund. Therefore, you will receive two aid transmittals, one from each source. A listing of this year's payments is enclosed.

For 2009 aid, the state funding level is estimated at approximately 8.3 percent of local and county expenditures for public library service.

State Superintendent Elizabeth Burmaster and I would like to take this opportunity to thank you and your fellow board members for all your efforts to bring excellence in public library service to the residents of the Winnefox Library System area. We look forward to joining with the system board and staff to ensure that adequate resources are provided to support the important services you provide.

Sincerely,

Richard Grobschmidt
Assistant State Superintendent
Division for Libraries, Technology, and Community Learning
