**s. 43.24(2)(k) Promotion and facilitation of library service to users with special needs.**

The division interprets services to users with special needs as inclusive services. Inclusive library services are holistic, spanning library policies, collections, space, and services. Inclusive services reflect equity and accessibility for all members of the community, including services to individuals or groups for whom using the public library is difficult, limited, or minimized.

Briefly summarize the most significant specific services or initiatives carried out by your system in a special needs area in the report year. Describe the system effort in terms of the way in which the initiative is conducted by the system. Some systems provide direct services, others provide services to support library efforts.

VIII. LIBRARY SYSTEM EVALUATION AND CERTIFICATION OF COMPLIANCE (cont'd.)

Services to Users with Special Needs (cont'd.)

Identify the agency(ies) with which the system had the most contact in terms of a planning effort or project collaboration, or with which member libraries worked. Indicate system services or types of materials involved with, or purchased for, the project. Were any accessibility issues involved? Identify any significant marketing done by the system to support library efforts in serving special needs populations.

Winnefox continues to encourage and support member library efforts to foster ties with agencies serving special needs populations in our service area. County library directors meet regularly and we make time available at these meetings for service providers to plan cooperative services with librarians and encourage close ties with agencies serving individuals with special needs. Libraries in Marquette Co. have an especially close relationship with the organization promoting adult literacy training. Oshkosh Public Library continues to provide indirect financial support to the Winnebago County Literacy Council which is housed in rent-free space at OPL. Although we have not surveyed libraries, we know through discussions that many of our libraries have close ties with local organizations & agencies serving persons with special needs

If the system provided any continuing education programs in the report year on special needs topics, identify the topic(s) and speaker(s) See Notes under In Service Training & Consulting.
